Our Mission

The Camden-Frontier School community including staff, students, parents and stakeholders will provide a foundation of educational opportunities that enable all students to succeed in our changing society.

Presented a template for Strategic Planning Purposes along with sample goals that would match up with headings that align with committees and areas on the Superintendent Evaluation. Discussed the need to start planning through committees for the potential Addition on the west end of the building.

Discussed timelines for the summer projects as of May 6th. Still waiting on exact dates for flooring. Discussed adding on to the parking lot project to include repairing the area between Band room and the Kitchen in the rear of the building. Need to add filling/covering the holes in the gym ceiling to the painting project.
