

12-12-22 Personnel and Curriculum Committee Meeting Minutes

Members present: Lynn Landers, Emily Morrison

Feedback from Staff member on Curriculum- Starting to get more feedback on the curriculum as staff delves deeper into the resources. Specifically Math and Social Studies from 4th and 5th grades. More feedback will be sought to determine if adjustments will be necessary for next year. Teachers are actively providing input and feedback on the new curriculum which will shape professional development moving forward.

Additions to Staff

- i. 8th grade self-contained January 3rd-have a plan in place not ideal but could get us through the end of the year.

Evaluation Process (Teacher)

- ii. Staff have presented their student growth goals for their evaluation to Admin-
- iii. Evaluation Tool-discussed what it does and how it works, also discussed the Superintendent Eval and its process.

Student Support needs

- iv. Potential 1:1 aide for several Spec Ed students-make be able to accommodate this through a rearranging of schedules.
- v. 31a aides following ESSR fund expiration-provided potential positions that may be available based on other funding sources.
