At-Home Morning Student Health Screening

Developed by the Branch-Hillsdale-St. Joseph Community Health Agency

To protect your child and his/her classmates and teachers, please review this at-home health screening each morning before school.

If you answer **yes** to any of these questions, please refer to the instructions at the bottom of the checklist.

#1: Symptoms: Does your child have any of the following symptoms:

- Temperature 100.4 degrees Fahrenheit or higher when taken by mouth
- Sore throat
- New** uncontrolled cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline)
- Diarrhea, vomiting, or abdominal pain
- New onset of severe headache, especially with a fever

#2: Potential Exposure: In the past 14 days has your child:

- Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person with confirmed COVID-19: OR
- Had close contact (within 6 feet of an infected person for at least 15 minutes) with person under quarantine for possible exposure to COVID-19; OR
- Traveled outside of the county

If the answer is YES to any of the questions in Section #1 only: keep your child(ren) home from school until the following are occur: for fever: at least 24 hours have passed with no fever, without the use of fever-reducing medications; sore throat/ cough: improvement (if strep throat: do not return until at least 2 doses of antibiotic have been taken); diarrhea, vomiting, abdominal pain: no diarrhea or vomiting for 24 hours; severe headache: improvement in headache.

If you answer YES in BOTH section #1 and section #2: Call your healthcare provider right away to get evaluated and tested for COVID-19. If you don't have one or cannot be seen, go to www.mi.gov/coronavirustest or call 2-1-1 to find a location to have your child(ren) tested for COVID-19.

Questions? Contact the school at (517) 368-5255
