## Fall 2020 Return to School Planning Document & Tools

### The 2020 School Supply Lists

Written with Safety in Mind

The following grade and building-level supply lists are recommended for 2020. These items are not required and all supplies will be provided as needed.

Students will not be able to share school supplies this year. Please discuss this with your child.

Please note that although C-F has been stockpiling hand sanitizer, Clorox Wipes and masks for months and we have plenty to start the year, we encourage you to send additional donations of each/any to your child's teacher(s).

#### Young 5's

- Glue sticks
- Age-appropriate scissors

#### No Sharing – for Now!

*Please remind your child regularly not to share any food or possessions while on the bus or at school each day.*

*No food, snacks, water bottles, clothing, toys, phones or other items should be shared.*

*We look forward to the day when we can go back to encouraging sharing!*

#### Water Bottles & COVID-19

*Unfortunately safety concerns require that we turn off the mouthpieces on the school's drinking fountains. The water bottle filling faucet will remain on, however.*

*Please consider sending your child to school each day with a reusable water bottle. Given the heat and mask requirements, we want to make sure everyone stays well hydrated.*
